01 / PROFILE

ABOUT NORTY COTTO

Born in New York City, Norty Cotto is a recording engineer, producer, DJ and label owner with more than 30 years of experience shaping dance and urban music. His wide-ranging discography includes work with KRS-One, Gang Starr, The Notorious B.I.G., 2 In A Room and Fulanito, alongside remix collaborations with Todd Terry, Louie Vega, Tony Humphries and DJ Premier.

As a producer and remixer, Cotto has delivered official remixes for artists including Rihanna, Ricky Martin, Celia Cruz, Lisa Stansfield, Thalía and Nina Sky. His work spans genres and generations, rooted in New York's dance music culture and driven by an instinct for rhythm, energy and innovation.

A passionate DJ, Cotto has performed internationally across Europe. He is the founder of Naughty Boy Music, a house music label with releases across Afro House, Tech House and House charts, continuing to connect his studio craft with the dance floor.
